Application guide
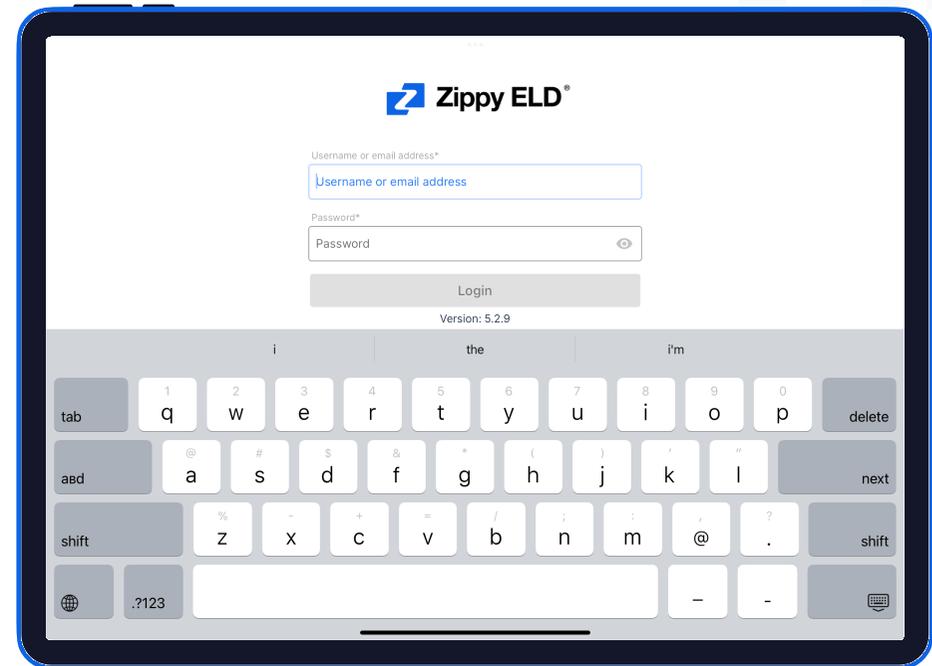

01

Log in to application using your username and password.

If you don't have a Zippy ELD account, please, contact your carrier.

If you don't remember your password, you can reset by clicking "Forgot password?", or contact to your carrier.
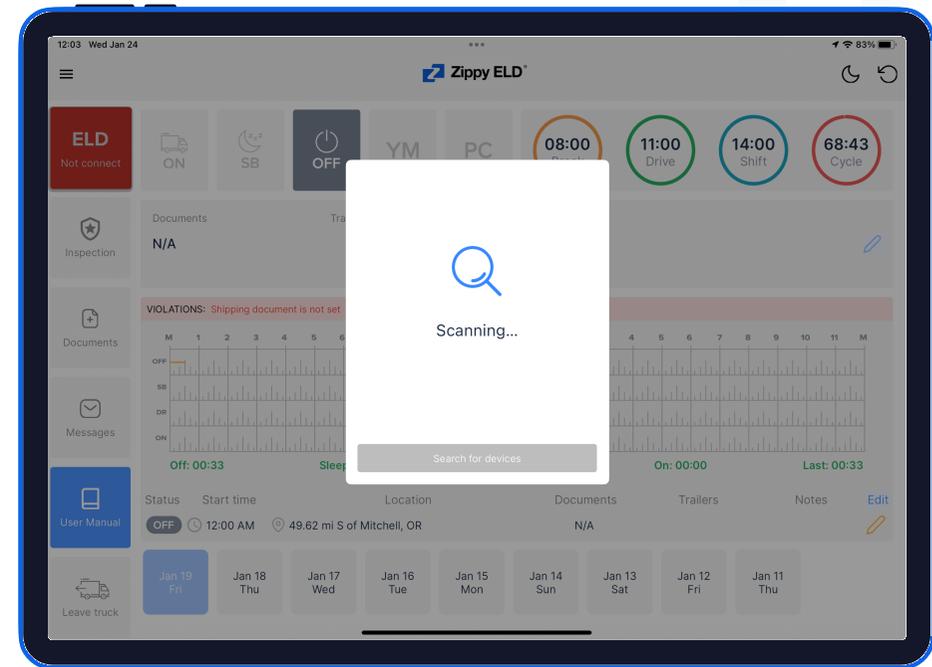

02

Your tablet with Zippy ELD application automatically scans for ELD.

When you log in to your Zippy ELD account, the app starts scanning for available ELD devices automatically.

And the ELD device lights green, when it is ready to use.
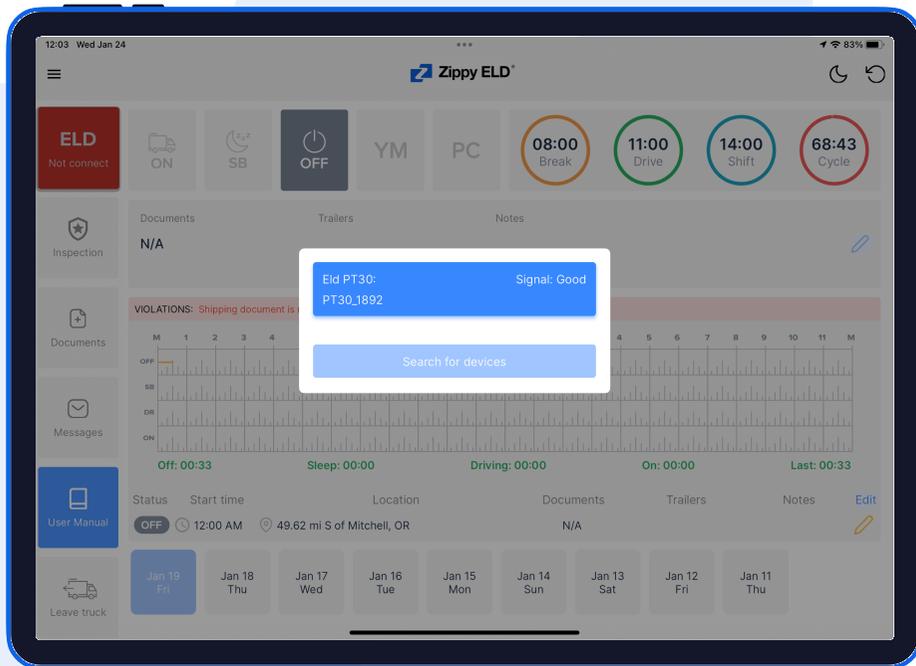

03

You should choose your ELD.

Once the scanning is complete, select your ELD device from the displayed list of results.
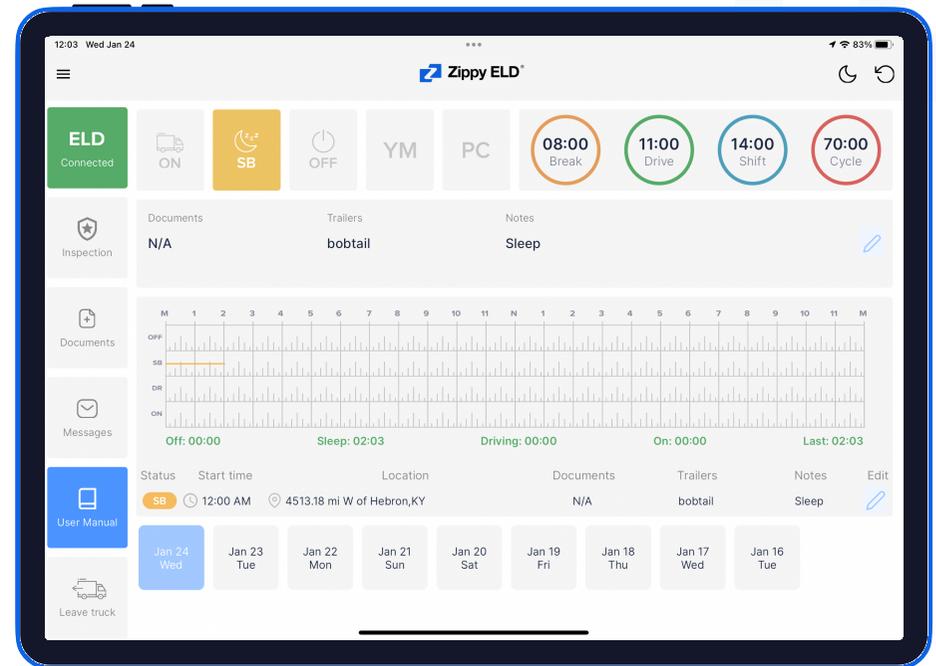

04

If the ELD is connected to vehicle, you can see green icon on the top left corner of the dashboard.

If it is not connected, the icon stays red with "ELD not connected" text.

Using Zippy ELD on the road
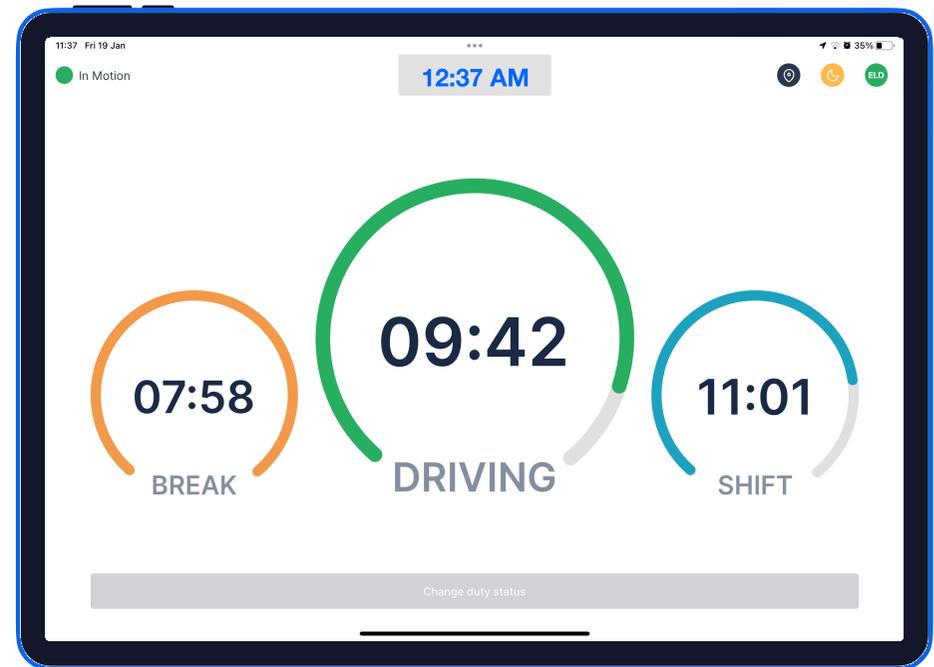

01

Once you have connected your mobile device to ELD, your driving time is automatically recorded.

When your vehicle starts moving and reaches the speed of at least 5 mph, your duty status is automatically set to "Driving ".
If the speed of your vehicle goes less than 5 mph, your duty status changes to "On Duty".
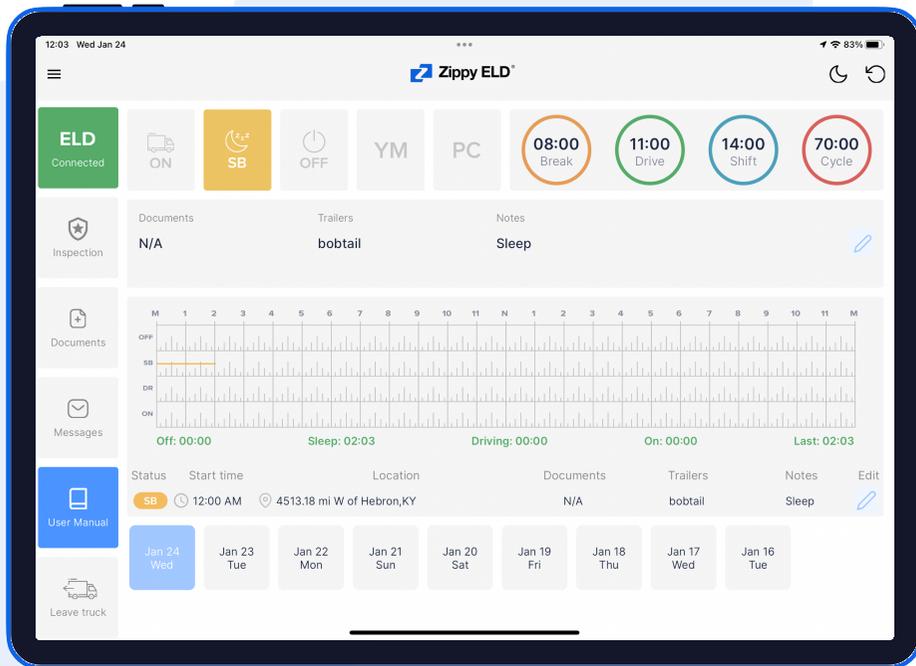

02

Choose a status in the main window based on your current situation.

From the statuses in the main window, select "Off Duty", "Sleep", "On Duty" depending on your situation.
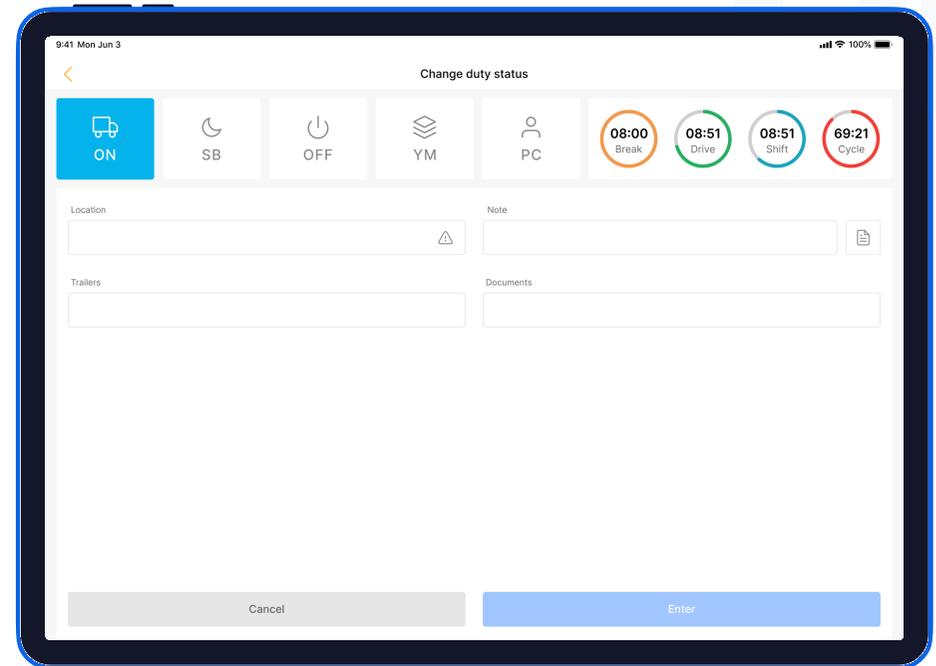

03

Fill out location field and put remarks, such as "Pre-trip inspection" or "Coffee break" (if the location field is left empty, it will be automatically set).
