Fuel Purchase

In Log Report, you can view 3 Tabs: Header, Chart, and Events.

a. Header:

- View the Current Location, Driver, Co-Driver, Vehicle, ELD, and Carrier details.

b. Chart:

- Displays the Hours Of Service of drivers in a chart view (graphical representation).

c. Event Logs:

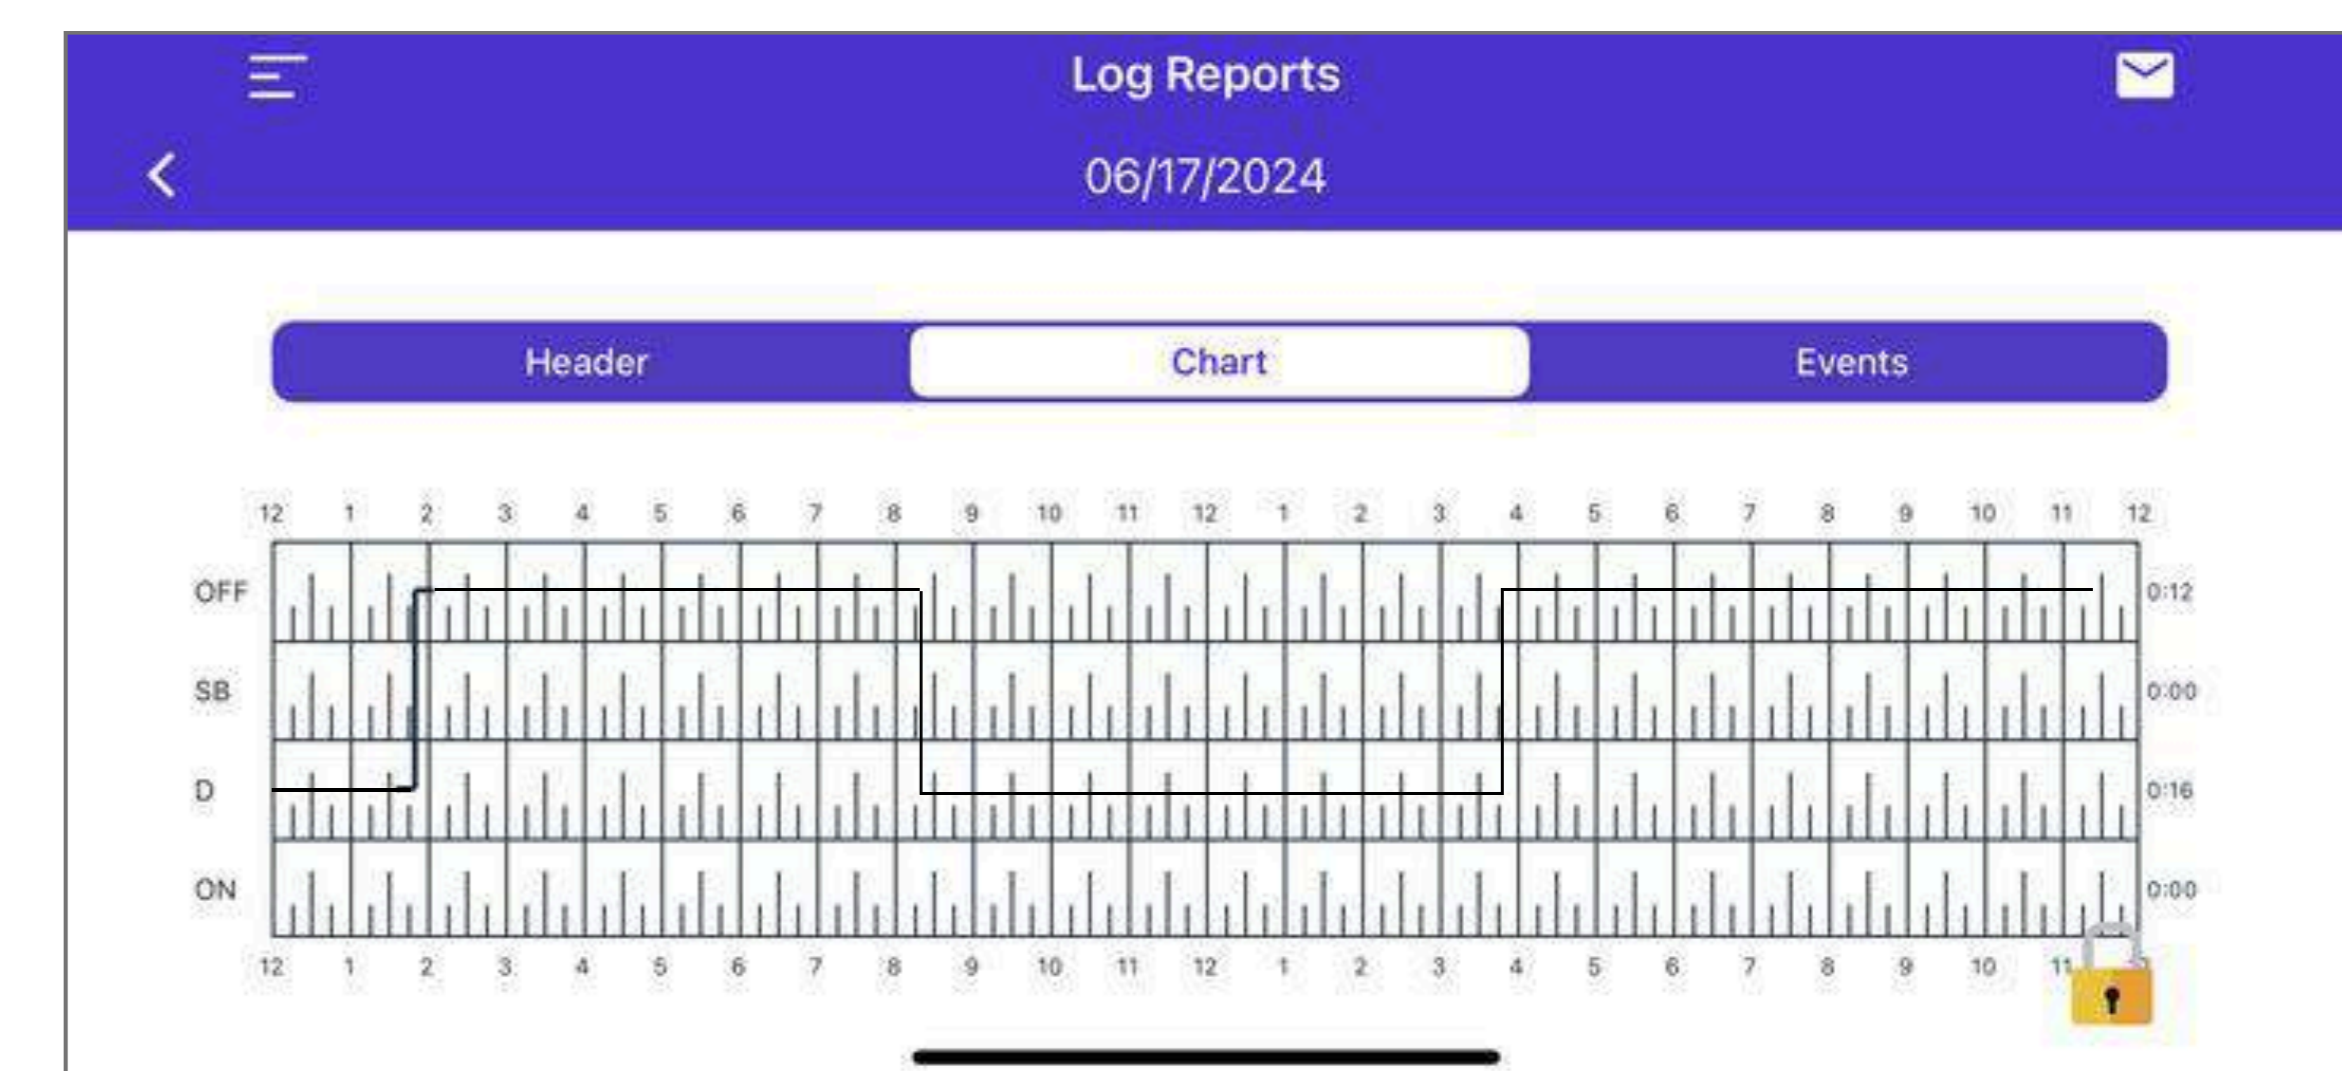

- Displays the details of each event, including Event start time, Location, Odometer, Engine Hours, Origin, Event Type/Status, and Event Comments.
- It will display violation-related information if the driver exceeds the duty limitations.
- You can share the Log report by entering the desired email and clicking on send.
