

User Guide

1 Select your ELD device.

Choose your ELD from the list of available devices, each showing its signal strength.

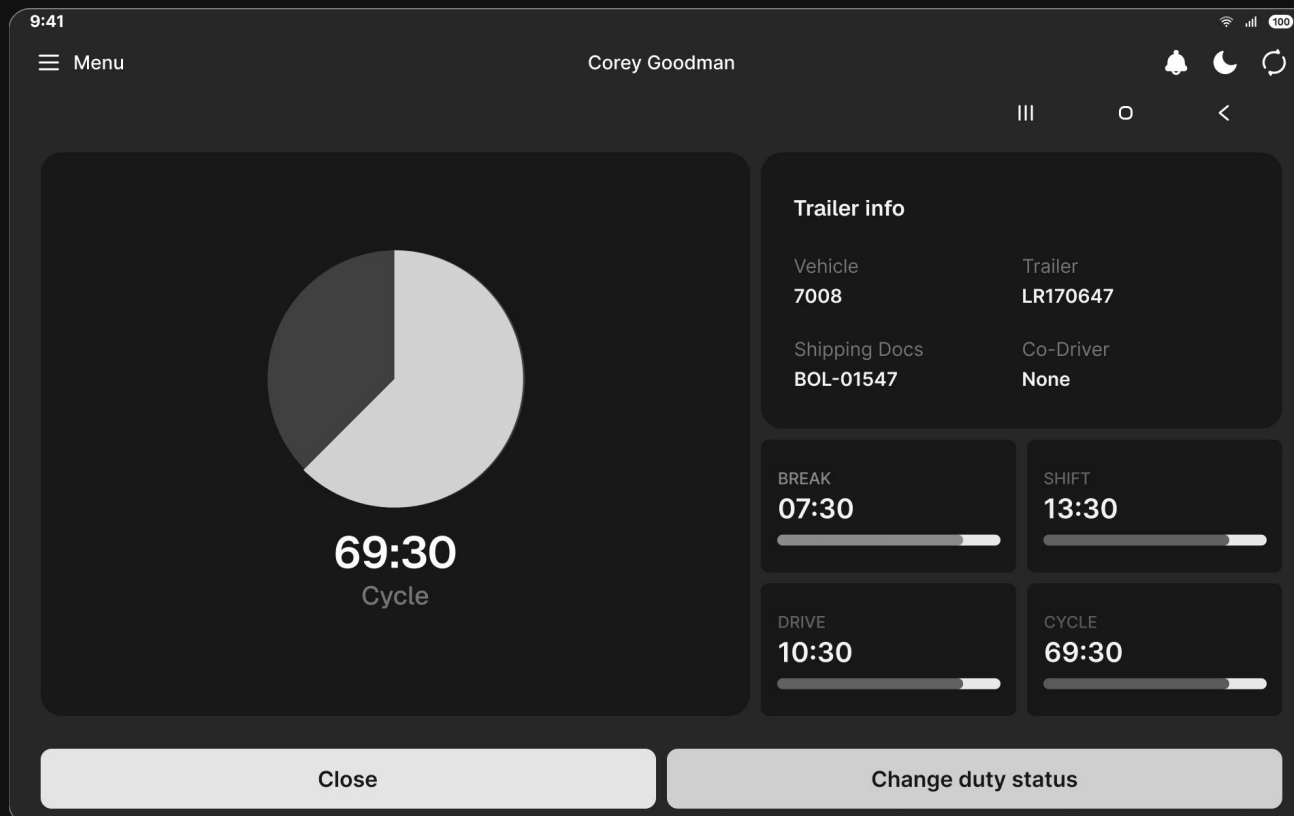

2 Your ELD is now connected

A green "Connected" light on the dashboard indicates that your ELD is successfully linked and ready for operation.

Using ELD while driving

② Automated tracking of driving time.

Your driving time is automatically recorded when your ELD is connected. When you reach speeds of 5 mph or more, your status changes to "Driving." If you drop below 5 mph, it will switch to "On Duty" after being stationary for 6 minutes.

Using an ELD while driving

1 Updating Your Duty Status

To change your duty status, tap the bar showing your current status on the dashboard. Select from Off Duty, Sleeper, On Duty, Yard Move, or Personal based on your situation.

The screenshot shows the ELD app interface for Corey Goodman. The top bar includes a menu icon, the name 'Corey Goodman', and system icons for notifications, moon, and refresh. Below the top bar, there are four main sections: Trailer (8/32), Shipping Docs (9/40), Location (15/60), and Notes (4/60). Each section has a text input field and a 'Close' button. To the right of these sections is a grid of six buttons: Off Duty, Sleeper, On Duty, Drive, Yard Move, and Personal. At the bottom, there are two large buttons: 'Close' and 'Save'.

The screenshot shows the ELD app dashboard for Corey Goodman. The top bar includes a menu icon, the name 'Corey Goodman', and system icons for notifications, moon, and refresh. Below the top bar, there is a row of ten navigation buttons: Logs, Inspection, Team Drivi..., Permissions, User Manual, Chat, Adverse Dr., Recap, DVIR, and Loads. Below this row are four circular gauges representing different duty status categories: Break (07:30), Drive (10:30), Shift (13:30), and Cycle (69:30). Below the gauges, there are four input fields: Trailer (LR107115), Shipping Docs (BOL57407), Current Status (On Duty · 00:35:59), and Notes (PTI). To the right of these fields is a button labeled 'ELD Connected'. At the bottom, there are two buttons: 'SSB TIME +07:30' and 'Certify Certified'.

2 Entering Trip Details

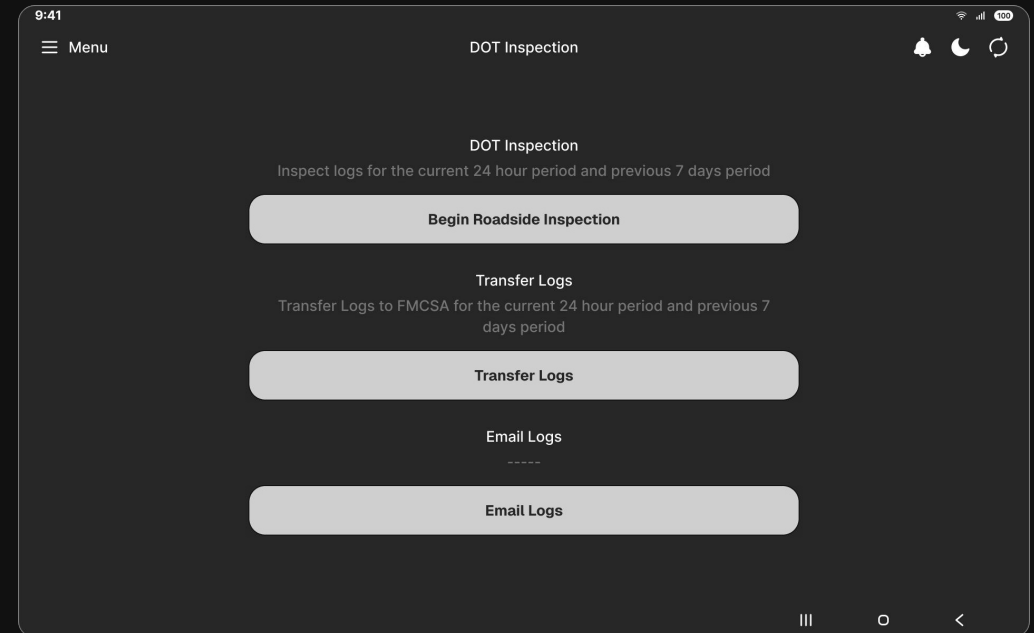

Input your Trailer, Shipping Documents, Location, and Notes. You can use quick select buttons for common notes like "PTI" or "Delivery," or enter them manually. If you leave the location blank, it will be filled in automatically.

Ensure you follow the guidelines when presenting your documents to the office.

Review your ELD logs.

1 Use these instructions to show your records to the officer.

Select "Inspection" from the dashboard or menu.

2 Starting a Roadside Inspection.

Next, tap "Begin Inspection" to display your eight-day logbook summary to the officer.

Driver's Daily Log

1 Displaying your logs.

Hand your device to the officer to display your eight-day logbook summary. The screen will show your Driver's Daily Log with all required details.
