INSTALLATION AND CONNECTION

Install the AI ELD Electronic Log Book

1. For Android phones and tablets download the App from Google Play Store

2. Open the AI LED Electronic Log Book

## Login to the AI ELD Electronic Log Book
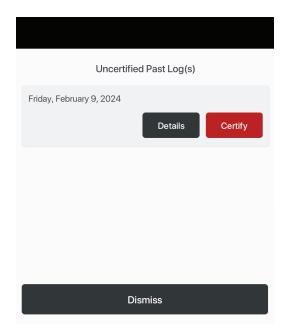

1. Enter your login details and tap CONNECT

Read the login details from your email. If you don't have login details yet, or you've forgotten them, contact your Carrier administrator.

2. Allow AI ELD app to access device's location

3. Enter your trip details:
   - **Vehicle ID** - Enter vehicle ID. As soon as you start typing in this field list off available vehicles will be displayed
   - **Trailer ID** - Enter trailer ID. As soon as you start typing in this field list off available trailers will be displayed
   - **Shipment ID** - Enter shipment ID
   - Tap **SAVE**, when you entered all pertinent information
   - Tap **CLEAR** to clear all entered values

4. If the driver did not certify all the daily logs, the app will prompt the driver regarding uncertified logs along with the option to certify the relevant days
   - Tap **DETAILS** to show log detail
   - Tap **CERTIFY** to certify log
   - Tap **DISMISS** to dismiss log certification for now

After successfully login & entering trip details, the Dashboard page is open. Now you need to connect to your vehicle.

5. Tap **NOT CONNECTED** icon to connect to your vehicle

Please ensure that Bluetooth is enabled on your device before you connect to AI ELD app.
If Bluetooth is not enabled, AI ELD will ask you to turn on Bluetooth.

6. Tap **CONNECT** to establish connection with the vehicle
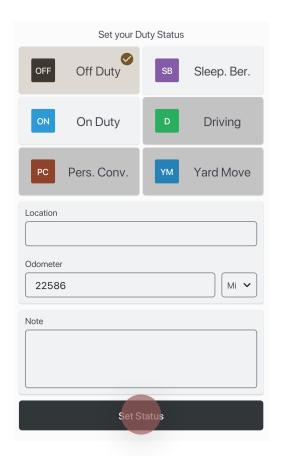

7. An icon will change upon successful connection

Start Driving

Once you've completed all of the pre-trip tasks in this section, you're ready to drive.

1. Tap on **DUTY STATUS** button to change current duty status

2. Select a duty status from the list. Insert **Remark** and tap **SET STATUS**

Set your Duty Status

OFF Off Duty ✓	SB Sleep. Ber.
ON On Duty	D Driving
PC Pers. Conv.	YM Yard Move

Location

Odometer

22586 | Mi ⌄

Note

Set Status

1. When your vehicle is moving at 5 MPH or greater, your duty status will automatically switch to **Driving**, in accordance with the LED mandate

2. When the vehicle stops you will be back to Dashboard screen and you will be able to change your duty status by tapping current duty status icon and selecting some other stats

3. If your vehicle has stopped moving for five minutes you will be prompted with a question if you would like to change your duty status. If you ignore the question for one minute, your duty status will be changed to **On Duty**
